

# B.B. King, One Of Those Nights

Come here, baby  
Let me wrap you around my fingers  
I want you so much  
And love's just a touch away  
So touch me, baby  
And you'll feel a man on fire  
Just hold on to me  
'Cause it's gonna be one of those nights

Oh one of those nights  
When love has us right in its hands  
Oh here in the dark  
What you do to my heart  
Woman, your wonder don't end  
And it's one of those nights  
One of those nights again

Darling, I know  
I know this ain't no time for talking  
But you know I've just got to tell you  
I just have to tell you  
How I feel right now  
And I wanna say, baby, you're something  
And I'm wrapped around your finger  
I want you again  
'Cause I'm so far into one of those nights

Oh one of those nights  
When love has us right in its hands  
Oh here in the dark  
What you do to my heart  
Woman, your wonder don't end  
And it's one of those nights  
One of those nights again
