

# B.B. King, Please Accept My Love

I don't even know your name  
But I love you just the same  
If you let me hold your hand  
Then I think maybe I can make you understand

If you only, only knew  
Just how much I love you  
Loving you the way I do  
Then you'd take the night to love me too

I'd like the picture on the wall  
So please don't let me fall  
It's my heart I'm thinkin of  
So please, please accept my love

If you let me be your slave  
Your love I'll cherish to my grave  
And if you should die before I do  
I'll, I said I'll, I'll end my life to be with you

Yes I will!
