B.B. King, Please Accept My Love

I don't even know your name But I love you just the same If you let me hold your hand Then I think maybe I can make you understand

If you only, only knew Just how much I love you Loving you the way I do Then you'd take the night to love me too

I'd like the picture on the wall So please don't let me fall It's my heart I'm thinkin of So please, please accept my love

If you let me be your slave Your love I'll cherish to my grave And if you should die before I do I'll, I said I'll, I'll end my life to be with you

Yes I will!
