B.B. King, Please Remember Me

I'm cryin' please, baby, honey, please remember me I'm cryin' please, baby, please remember me Well, it fills my heart with great consolation, darlin' To know that you will remember me

Well, I want you to love me, baby Like the snow falls on the cold, cold ground Yes, I want you to love me, baby Like the snow falls on the cold, cold ground Lord, with your love like that, darlin' I know you'll never let me down

Well, alright Just talk to me, baby Yes, alright

Well, when you were leavin', baby Well, I could see the smile on your face Oh, yes, when my baby was leavin' People, I could see the smile on her face Well, you know I'm so glad, people There is no-one can take my place
