

# B.B. King, Shut Your Mouth

I work hard everyday  
Do the same at night  
But still my baby  
Ain't treating me right  
Tell me baby baby baby baby  
What can I do?  
Do I have to shut your mouth  
Just to get along with you?  
When I'm home at night  
I can't read a book  
Without you being huffed up  
Giving me a dirty look  
Tell me baby baby baby baby  
What can I do?  
Do I have to shut your mouth  
Just to get along with you?  
She's so jealous, man  
Till it's a sin  
She don't even trust me  
Out with men  
Tell me baby baby baby baby  
What can I do?  
Do I have to shut your mouth  
Just to get along with you?
