

B.B. King, Until I Found You

All of my life, I've been searchin'
For someone that's lonely too
I know my darlin', I found you
I'm gonna make you happy
Oh, that's what I'm gonna do
I'm gonna do all I can for you
Whenever I'm near you, oh, I can't control myself
My heart it beats so fast 'til I know
I know this love is gonna last

Now, now my searchin', my searchin' is over
Oh, and I touch myself, I touch myself everyday
Because I never thought that anyone
Could make me feel this way
You know I never thought, I never thought
I never thought that anyone
Anyone could make me feel this way
