

B.B. King, You Don't Know

You don't know how much I love you
You don't know how much I care
You don't know how much I need you
Without you life I can't bear
You don't know
You don't know baby
You don't know how much I love you
And you can't know just how I feel
The flame is still burnin'
Burnin' deep down in my soul
When I think of your love and kisses
It makes my blood run cold
You don't know baby
You don't know baby
Yes you don't know how much I love you
And you can't know just how I feel
All my friends call me crazy
For acting the way that I do
But I just can't help myself
'Cause I'm so in love with you
You don't know
Yes baby you don't know
You don't know how much I love you
And you can't know just how I feel
You don't know
You don't know
You don't know baby
You don't know
You don't know
You don't know baby
You don't know
Yes you don't know how much I love you
And you can't know just how I feel
