

# B.B. King, You Know I Love You

Now darlin' know I love you  
And love you for myself  
But you're gone and left me for someone else  
I think of you every morning  
And dream of you every night  
And I would love to be with you always  
When night began to fall  
I cry alone  
And I wish I could hold you in my arms tonight  
Oh, darlin' you know I love you  
And love you for myself  
But you're gone and left me for someone else  
Oh, darlin' you know I love you  
And love you for myself  
But you're gone and left me, baby, for someone else
