

# Babylon Zoo, Spaceman

Spaceman I always wanted you to go  
Into space man (intergalactic Christ)  
Spaceman I always wanted you to go  
Into space man (intergalactic Christ)

Pungent smells they consummate my home  
Beyond the black horizon  
Trying to take control  
See my girl she shivers in her bones  
The sun and zenith rising  
Trying to take us all

There's a fire between us  
So where is your God  
There's a fire between us  
I can't get off the carousel  
I can't get off the carousel  
I can't get off the carousel  
I can't get off this world

The sickening taste  
Homophobic jokes  
Images of fascist folks  
Beam me up 'cause I can't breathe

Spaceman I always wanted you to go  
Into space man

It's time to terminate the great white world  
Morbid fascinations television takes control  
Decimation different races fall  
Electronic information tampers with your soul

There's a fire between us  
So where is your God  
There's a fire between us  
I can't get off the carousel  
I can't fall off this world

The sickening taste  
Homophobic jokes  
Images of fascist folks  
Beam me up 'cause I can't breathe

Spaceman I always wanted you to go  
Into space man

Spaceman I always wanted you to go  
Into space man (intergalactic Christ)  
Spaceman I always wanted you to go  
Into space man (intergalactic Christ)

Spaceman, Spaceman, Spaceman, Spaceman  
Spaceman, Spaceman, Spaceman, Spaceman  
Space...man Spaceman \*repeat to fade\*
