Light My Fire
Baby why don't you reach out?
Why don't you maybe reach out for love?
Oh lover baby why don't you reach out
Why don't you maybe reach out for love

Oh lover baby why don't you reach out? Why don't you maybe reach out for love? Oh lover baby why don't you reach out Why don't you maybe reach out for love Reach out for me

You know that it would be untrue You know that i would be a liar If i was to say to you Oh we couldn't get much higher

Come on baby light my fire Come on baby light my fire Try to set the night on fire

No time to hesitate this through No time to Try now and we can only loose And our life becomes fuel and fire

Come on baby light my fire Come on baby light my fire Try to set the night on fire
