

Backstreet Boys, I'll Be There For You

Don't say a word
I understand
You wanna know if I'm still your man
Girl can't you tell by the touch of my hand
I'm gonna please you everyway that I can
I'll hold you (hold you)
Love you (love you)
I'll never let your love go (never let you go, let you go)
For always (for always)
I'll stay (I'll stay)
Just look in my eyes and you'll know

[Chorus:]
Baby, I'll be there for you
Wherever you go
Whatever you do
Girl, I've got forever inside
For all of my life
I'll be there for you

Don't ever doubt
Your trust in me
I'll give you my heart
So honestly
Deep in my soul
Baby, you'll find a dream
I'll never change
Girl, I promise you
I'll hold you (hold you baby)
Love you (love you, lady)
I'll never let you go (never let you go, let you go)
For always (for always)
I'll stay (I'll stay)
Just look in my eyes and you'll know

[Chorus]

[Bridge:]
Nothing and no one can tear us apart (tear us apart)
You'll always be here inside of my heart (inside my heart)
And just as sure as the stars shine above
No matter what happens
You can count on my love

[Chorus]
