

Backstreet Boys, If You Stay

Ohh la de da, la de da
Ohh la de da, la de da
Ohh la de da, la de da
Ohh la de da, la de da
Ohh la de da, la de da
Ohh la de da, la de da
Ohh la de da, la de da
Ohh la de da, la de da

To be happy you're all I need to make me happy
Because every time you're near
All the tears inside are rain drops
All the sadness in my life just goes away, ohh
Just believe in me, all I need is someone
Who believes in me, you're the good luck charm
You're the reason for the rainbows, God knows
I'd hate to see you go away, baby, don't leave me this way
If you stay I'll do anything you want
I'll show you I'm the only one for you, baby
If you stay with me I'll show you how much I need you
Oh, how much I need you, baby
With you I just want to constantly be with you
It's only when you're around
All the problems are not problems
All the clouds inside my garden go away
If you stay I'll do anything you want
I'll show you I'm the only one for you, baby
If you stay with me I'll show you how much I need you
Oh, how much I need you, baby
Oh, it's forever, you have all my gratitude forever
Being who you are brings me victories and promise
My frustrations and my losses fly higher, babe
They fly high
If you stay I'll do anything you want
I'll show you I'm the only one for you, baby
If you stay with me I'll show you how much I need you
Oh, how much I need you, baby
Only if you stay
Only if you stay
Only if you stay
Only if you stay, baby
