

# Bad Company, Bad Company - 07 - Shooting Star

Johnny was a school boy when he heard his first Beatles song  
Love me do, I think it was from there it didn't take him long  
He got himself a guitar, learned to play it every night  
Now he's in a rock and roll outfit, and everything's all right  
Don't you know? Oh yeah  
Johnny told his momma, hey momma I'm going away  
I'm gonna hit the big time, gonna be a big star someday  
And momma came to the door with a teardrop in her eye  
Johnny said, "Don't cry momma" and smiled and waved goodbye  
Don't you know? Don't you know?  
Don't you know that you are a shooting star?  
Don't you know? Oh  
Don't you know that you are a shooting star?  
And all the world is going to love you just as long  
As long as you are, yeah  
Johnny made a record, went straight up to number one  
Suddenly everyone loved to hear him sing the song  
You're watching the world go by, surprising it goes so fast  
Johnny looked around him and said, "Hey, I made the big time at last"  
Don't you know? Woah  
Don't you know that you are a shooting star?  
Don't you know? Woah yeah  
Don't you know that you are a shooting star?  
And all the world is going to love you just as long  
As long as you are, a shooting star, hey

Don't you know that you are a shooting star?  
Don't you know? Yeah, don't you know?  
Don't you know that you are a shooting star?  
And all the world is going to love you just as long  
As long as you are, yeah oh  
Johnny died one night, died in his bed  
Bottle of whiskey, sleeping tablets by his head  
Yeah, Johnny's life passed him by like a warm summer day  
If you listen to the wind, you can still hear him play  
Don't you know? Don't you know?  
Don't you know that you are a shooting star?  
Don't you know? Yeah, don't you know?  
Don't you know that you are a shooting star?  
Don't you know? Don't you know?  
Don't you know that you are a shooting star?  
So come on Johnny, come on Johnny  
Don't you know that you are a shooting star?  
Oh oh, ooh yeah, ooh yeah  
You are a shooting star, ooh Johnny  
You are a shooting star, yeah yeah yeah yeah  
You, come on Johnny  
Don't you know that you are a shooting star?  
And all the world is going to love you just as long  
As long as you are, yeah oh, yeah
