

# Bad Religion, Skyscraper

Come let us make bricks and burn them hard  
We'll build a city with a tower for the world  
And climb so we can reach anything we may propose  
Anything at all  
Build me up, tear me down  
Like a skyscraper  
Build me up then tear down  
These joining walls  
So they can't climb at all  
I know why you tore it down that day  
You thought that if you got caught we'd all go away  
Like a spoiled little baby who can't come out and play  
You had your revenge  
Build me up, tear me down  
Like a skyscraper  
Build me up then tear down  
These joining walls  
So they can't climb at all  
Well, madness reigned and paradise drowned  
When Babel's walls came crashing down  
Now, the echoes roar for story read  
That was hardly understood and never any good  
Build me up, tear me down  
Like a skyscraper  
Build me up and tear down  
These joining walls  
So they can't climb at all  
Build me up  
Build me up
