

# Bakermat, Teach Me

Teach me master  
Master teach me  
Boy I would love to live  
Live a liar  
Teach me how to win  
I tell you the reason why  
Teach me how to win  
I tell you the reason why  
With my mind at the will  
Teach me what to say

C'mon master  
Teach me master, teach me

Teach me master  
Master teach me  
Boy I would love to live  
Live a liar  
Teach me how to win  
I tell you the reason why  
Teach me how to win  
I tell you the reason why  
With my mind at the will  
Teach me what to say  
I had my love, my car  
And I would be ready to teach me master, teach me

C'mon master  
Teach me master, teach me
