Bakermat, Teach Me

Teach me master
Master teach me
Boy I would love to live
Live a liar
Teach me how to win
I tell you the reason why
Teach me how to win
I tell you the reason why
With my mind at the will
Teach me what to say

C'mon master Teach me master, teach me /6x

Teach me master
Master teach me
Boy I would love to live
Live a liar
Teach me how to win
I tell you the reason why
Teach me how to win

With my mind at the will
Teach me what to say
I had my love, my car
And I would be ready to teach me master, teach me
