

Bananafishbones, Be

My dad wanted to fly
With mum to peruvian skies
Plants were the aim on his mind
But plants became disqualified

Stroke it hit god's creature
Stroking all god's creatures
Stroke

Stroke it hit god's creature
Stroking all god's creatures

Que tal my love
Is this the airport
How long did we fly
What is it, what had

Stroke it hit god's creature
Stroking all god's creatures
Stroke

Stroke it hit god's creature
