

Bananarama, Boom

You're too shy
Cos baby I
Need to see a little more attitude
So if you wanna fly
Across my sky
You'd better buy a one-way ticket to the moon

You're too shy
Cos baby I
Need to see a little more attitude
So if you wanna fly
Across my sky
You'd better buy a one-way ticket to the moon

Do you like the way I feel
Do you wanna hold me
Tell me if I let you in
Will you try and control me

Boom! Boom!
Gonna take you out
Bang! Bang!
Gonna knock you down
Boom! Boom!
Gonna turn you 'round
And show you where you started from
Boom! Boom!
Gonna dress you up
Bang!
Gonna tie you down
Boom! Boom!
Gonna lay you out
And start this ride all over again

So think twice
And roll the dice
Lucky number seven's there for you
Come on, spin that wheel
And take that thrill
It's gonna be the best thing that you ever do

Do you like the way I feel
Do you wanna hold me
Tell me if I let you in
Will you try and control me

Boom! Boom!
Gonna take you out
Bang! Bang!
Gonna knock you down
Boom! Boom!
Gonna turn you 'round
And show you where you started from
Boom! Boom!
Gonna dress you up
Bang!
Gonna tie you down
Boom! Boom!
Gonna lay you out
And start this ride all over again

I said Boom!
Boom!
Boom!

I said Boom!
Boom!
Boom!

Na Na Na Na Na Yeah
Show you where you started from
Na Na Na Na Na Yeah
Boom! Boom! Boom!

Na Na Na Na Na Yeah
Show you where you started from
Na Na Na Na Na Yeah
Boom! Boom! Boom!

Boom! Boom!
Gonna take you out
Bang! Bang!
Gonna knock you down
Boom! Boom!
Gonna turn you 'round
And show you where you started from
Boom! Boom!
Gonna dress you up
Bang!
Gonna tie you down
Boom! Boom!
Gonna lay you out
And start this ride all over again
