Call me jenny baby when you want me Call me jenny jenny when I cry With me big black empty handbag You give me little lollie when we hungry Give me Coca-Cola when we dry In the good times and the bad times That's right

Spending all me jarre Smoking all the time In Cairo Making all the junk for the big man In Cairo Spending all me jarre Smoking all the time In Cairo Doing all I can for the big man Cairo

Under heavy menace in the day time Under heavy hoola in the night With me milkshake and no handshake Singing in the morning like a tourist Working for me money all the time For the big wheel and the high heel That's right
