Bananarama, Give In To Me

Give Give in to me Give in, give in, give in, give in, give in, give in to me

Oh my love Give me your body Talk to me Tell me you want me

Come to me now Open your mind Secrets we'll share with each other

These moments we should keep Locked forever in our sleep Kiss, promise left untrue Nothing here but me and you

Give Give in to me Give in, give in, give in to me

Can't you hear
Softly I'm calling
Lay with me
I'll show you the morning
Violet to blue
I think of you
Whispering softly
You want me

These moments we should keep Locked forever in our sleep Kiss, promise left untrue Nothing here but me and you

Give Give in to me Give in, give in, give in, give in, give in, give in to me

Give Give in to me Give in, give in, give in to me

These moments we should keep Locked forever in our sleep Kiss, promise left untrue Nothing here but me and you

Give Give in to me Give in, give in, give in to me
