Bananarama, He Was Really Sayin' Somethin'

I was walkin' down the street When this boy started following me Though I ignored all the things he said He moved me in every way With his collar unbuttoned On my side he was struttin' He was really sayin' somethin' Really sayin' somethin' Bop bop soo be do wa Bop bop soo be do wa He flirted every step of the way I could hear every word he'd say My resistance was gettin' low And my feelings started to show My heart started pumpin' Blood pressure jumpin' He was really sayin' somethin' Really sayin' somethin' Bop bop soo be do wa Bop bop soo be do wa He walked me to my door I agreed to see him once more Late in night, it may not be yet But he moved me tremendously All though he was bold My heart he stole He was really sayin' somethin' Really sayin' somethin' Bop bop soo be do wa Bop bop soo be do wa Really sayin' somethin' Really sayin' somethin' Bop bop soo be do wa Bop bop soo be do wa Really sayin' somethin' Really sayin' somethin' Bop bop soo be do wa Bop bop soo be do wa Really sayin' somethin' Really sayin' somethin' Bop bop soo be do wa
