Bananarama, Let Me Love You One

I never meant to hurt you Didn't mean to do you wrong I guess I never learned to Cherish love 'til it was gone And then by chance to meet you Bringing back the memories I realised I need you Could you ever come on back to me

(bridge) Baby, baby, baby I know that we can make it

(chorus) Let me love you one more time One more chance to make it right I could make you change your mind Let me love you one more time

Didn't know 'til I saw you We've been apart for much too long How my heart still beats for you Oh, my love is growing strong

(bridge)

(chorus x 2)

(bridge)

(chorus ad lib)
