## Bananarama, Long Train Running

Down around the corner Half a mile from here See them long trains run And you watch them disappear Without love Where would you be now? Without love You know I saw Miss Lucy Down along the tracks She lost her home and her family And she won't be coming back Without love Where would you be right now? Without love Well the Illinois Central And the Southern Central freight Gotta keep on pushing mama You know they're running late Without love Where would you be now? Without love Well the pistons keep on turning And the wheels go 'round and 'round And the steel rails are cold and hard For the miles that they go down Without love Where would you be now? Without love Where would you be now? Baby, baby, baby, baby Won't you move it down? I gotta keep on moving Gotta keep on moving Without love Where would you be now? Without love Baby, baby, baby, baby Won't you move it down I gotta keep on moving Gotta keep on moving Without love Where would you be now? Without love Baby, baby, baby, baby Won't you move it down? I gotta keep on moving Gotta keep on moving Without love Where would you be now?
