## Bananarama, Look On The Floor

It's close to midnight And I'm leavin' now I'm getting in my car I'm headin' out

And I can't slow down Cos I don't know how

You got my number So we'll be fine So go and use it Just don't waste my time

Cos you're on my mind And you know I'm right

(Bridge) You take me over Stay with me and We'll fade away

(Chorus) Look on the floor And all are spinnin' round

Someone told me this was just a dance And take a chance And I'll give you more Do you really think We have a chance

Devils in your eyes And he's lookin' at me I know what you want And you know what I need

Come and show me how How do you get down

(Bridge)

(Chorus) Repeat Chorus

Chance X 11 Do you really think we have a chance

(Chorus X2
