Look On The Floor (Hypnotic Tango)

It's close to midnight and I'm leaving now

I'm getting in my car and I'm heading out

And I can't slow down

Coz I don't know how

You got my number so we'll be fine

So go and use just don't waste my time

Coz you're on my mind

And you know I'm right

You take me over

Stay with me

And we'll fade away

(chorus)

Look on the floor

And all is spinning round

Someone told me this was just a dance

And take a chance

And I'll give you more

Do you really think we have a chance

Devil's in your eyes and his looking at me

I know what you want and you know what I need

Come on show me how

How do you get down
