Look On The Floor (Hypnotic Tango)
It's close to midnight and I'm leaving now
I'm getting in my car and I'm heading out
And I can't slow down
Coz I don't know how

You got my number so we'll be fine So go and use just don't waste my time Coz you're on my mind And you know I'm right

You take me over Stay with me And we'll fade away

(chorus)
Look on the floor
And all is spinning round
Someone told me this was just a dance
And take a chance
And I'll give you more
Do you really think we have a chance

Devil's in your eyes and his looking at me I know what you want and you know what I need Come on show me how How do you get down
