

Bananarama, Maybe The Next Time

Next time, alright, right now

Maybe the next time
Next time
Love will be alright
Alright
Maybe the next time
Right now
I want you so

Your touch is so exciting
I feel the passion rising
Deep inside of me
I just can't seem to stop it
Anyway or how you want it
You got me

Whisper so softly
Now nothing can stop me
I'm falling
I'm under your spell

Maybe the next time
Next time
Love will be alright
Alright
Maybe the next time
Right now
I want you so

You're like a fantasy
Doing what you're doing to me
Just like my dreams
No one has ever moved me
Oh what you doing to me
It's so unreal

Whisper so softly
Now nothing can stop me
I'm falling
I'm under your spell

Maybe the next time
Next time
Love will be alright
Alright
Maybe the next time
Right now
I want you so

Maybe the next time
Next time
Love will be alright
Alright
Maybe the next time
Right now
I want you so

Whisper so softly
Now nothing can stop me
I'm falling
I'm under your spell

Maybe the next time

Your touch is so exciting
I feel the passion rising
Deep inside of me
I just can't seem to stop it
Anyway or how you want it
You got me

Whisper so softly
Now nothing can stop me
I'm falling
I'm under your spell
