## Bananarama, More More More

Ooh, how do you like your love Ooh, how do you like your love

But if you want to know How I really feel Just get the cameras rolling Get the action going Baby you know my love for you is real Take me where you want to Then my heart you'll steal

More, more, more How do you like it, how do you like it More, more, more How do you like it, how do you like it More, more, more How do you like it, how do you like it

Ooh, how do you like your love Ooh, how do you like your love

And if you want to know
What it means to me
Just hear the rhythm grooving
Get your body moving
Baby you know my love for you is true
Any time you want to
Do what you gotta do

More, more, more
How do you like it, how do you like it
More, more, more
How do you like it, how do you like it
More, more, more
How do you like it, how do you like your love

Baby you know my love for you is real Take me where you want to Then my heart you steal

More, more, more
How do you like it, how do you like it
More, more, more
How do you like it, how do you like it
More, more, more
How do you like it, how do you like your love
