

# Bananarama, Movin' On (7" Mix)

You know I'll miss you, when you're gone  
And I can't pretend that I know when  
Our love started to go wrong  
I know we planned to stay together  
We just ran into stormy weather  
We couldn't see the dark clouds in the sky  
But I had no way of knowing  
And I don't know where I'm going  
But I'm movin' on  
We talked it over, we've said it all  
But who could say it would be this way  
But the writing's on the wall  
And now the sun has finally set and  
This is where the story ends  
We didn't count upon a rainy day  
But I had no way of knowing  
And I don't know where I'm going  
But I'm movin' on  
But I had no way of knowing  
And I don't know where I'm going  
But I'm movin' on  
I'm movin' on, I'm movin' on  
I know we planned to stay together  
We just ran into stormy weather  
We couldn't see the dark clouds in the sky  
But I had no way of knowing  
And I don't know where I'm going  
But I'm movin' on  
But I had no way of knowing  
And I don't know where I'm going  
But I'm movin' on  
I'm movin' on  
But I had no way of knowing  
And I don't know where I'm going  
But I'm movin' on
