

# Bananarama, Rhythm Of Life

Get down to the rhythm  
Keep on moving  
Down to the rhythm of life  
Get down to the rhythm  
You know you can do it  
It's the rhythm of life  
Better get yourself together  
Gotta make you're mind up soon  
Now that time is running out on you  
If you're lost then I'll find you  
I'll be right behind you  
And you know  
I can catch you when you fall  
Get down to the rhythm  
Keep on moving  
Down to the rhythm of life  
Get down to the rhythm  
You know you can do it  
It's the rhythm of life  
If you're feeling lost and lonely  
You know I can ease your pain  
Never have to be that way again  
Just believe you can make it  
The chance is there so take it  
It's your life  
So don't let it pass you by  
Get down to the rhythm  
Keep on moving  
Down to the rhythm of life  
Get down to the rhythm  
You know you can do it  
It's the rhythm of life  
Get down to the rhythm  
Get down to the rhythm  
Get down, get down, get down  
Get down to the rhythm  
Get down to the rhythm  
Get down, get down, get down  
Get down to the rhythm  
Keep on moving  
Down to the rhythm of life  
Get down to the rhythm  
You know you can do it  
It's the rhythm of life  
Get down to the rhythm  
Keep on moving  
Down to the rhythm of life  
Get down to the rhythm  
You know you can do it  
It's the rhythm of life  
Get down to the rhythm  
Keep on moving  
Down to the rhythm of life  
Get down to the rhythm  
You know you can do it  
It's the rhythm of life
