

Bananarama, Solid Gold Easy Action

Life is the same and it always will be
Easy as picking foxes from a tree

But I can't get no satisfaction
All I want is easy action
Baby

A stud is a lamb with the thoughts of a tiger
Who moves like a cat and knows how to ride her

But I can't get no satisfaction
All I want is easy action
Baby

But I can't get no satisfaction
All I want is easy action
Baby

A woman from the east with her headlights shining
Eased my pain and stopped my crying

But I can't get no satisfaction
All I want is easy action
Baby

And all my hair will keep her smiling
With my wondrous walk and my telephone dialling

But I can't get no satisfaction
All I want is easy action
Baby

I know you're shrewd and she's a dude
But all I want is easy action

I know you're shrewd and she's a dude
But all I want is easy action

I know you're shrewd and she's a dude
But all I want is easy action

But I can't get no satisfaction
All I want is easy action
Baby

But I can't get no satisfaction
All I want is easy action
Baby

But I can't get no satisfaction
All I want is easy action
Baby
