

# Banx & Ranx + Ella Eyre, Answerphone (ft. Yxng

I've been talking yo tour answerphone  
something tell me you don't want to know  
when I call you, you don't answer phone  
you don't love me, you should let me know  
yeah!

I got a feeling  
I'm over thinking about thinking you're thinking of leaving  
but real talk, I need some honesty  
honestly, you better speak up

days, and nights, I lie beside my phone  
When you gotta let me know? /2x  
All I hear is  
Please, leave your message after the tone  
When you gotta let me know? /2x

I've been talking yo tour answerphone  
something tell me you don't want to know  
when I call you, you don't answer phone  
you don't love me, you should let me know  
let me know!

man down  
said it was nothing but nothing is all that we have now  
and now I found out that you got a problem  
a problem you don't wanna talk about

days, and nights, I lie beside my phone  
When you gotta let me know? /2x  
All I hear is  
Please, leave your message after the tone  
When you gotta let me know? /2x

I've been talking yo tour answerphone  
something tell me you don't want to know  
when I call you, you don't answer phone  
you don't love me, you should let me know  
let me know!

Ringin' up my my line  
and that leads me to overthink  
see you in the club last night  
led me to overthink  
let me fall for you  
you know I'm on the brink  
let me know how deep your love goes  
don't save me, let me say:

days, and nights, I lie beside my phone  
When you gotta let me know? /2x  
All I hear is  
Please, leave your message after the tone  
When you gotta let me know? /2x

I've been talking yo tour answerphone  
something tell me you don't want to know  
when I call you, you don't answer phone  
you don't love me, you should let me know  
let me know!
