

Barbra Streisand, Don't Lie to Me

why can't you just tell me the truth?
hard to believe the things you say
why can't you feel the tears I cry today?
cry....
cry today

how do you win if we all lose?
you change the fact to justify
your lips move but your words get in the way
in the way...
in the way

kings and queens, crooks and thieves
you don't see the forest for the trees
head and heart, on our knees
you can't see what we all see

how do you sleep when the world keeps turning?
all that we built has come undone
how do you sleep when the world is burning?
everyone answers to someone

don't lie to me
don't lie to me
you lie to me
don't lie to me
don't lie to me
you lie to me

you can build towers of bronze and gold
you can paint castles in the sky
you can use smoke and mirrors
old cliché
not today..
not today

kings and queens, crooks and thieves
you don't see the forest for the trees
head and heart, on our knees
you can't see what we all see

how do you sleep when the world keeps turning?
all that we built has come undone
how do you sleep when the world is burning?
everyone answers to someone

don't lie to me
don't lie to me
you lie to me
don't lie to me
don't lie to me
you lie to me

can't you see I am crying
can't you see we're crying
where's the new horizon?
where's the new horizon?

how do we sleep? /3x

how do you sleep when the world keeps turning?
all that we built has come undone
how do you sleep when the world is burning?
everyone answers to someone
