

Barry White, You're The First, The Last, My Every

The first, the last, my everything
And the answer to all my dreams
You're my sun, my moon, my guiding star
My kind of wonderful, that's what you are
I know there's only, only one like you
There's no way they could have made two
You're all I'm living for
Your love I'll keep for evermore
You're the first, your the last, my everything

And with you I've found so many things
A love so new only you could bring
Can't you see it's you
You make me feel this way
You're like a fresh morning dew on a brand new day
I see so many ways that I
Can love you till the day I die
You're my reality, yet I'm lost in a-a-a a dream
You're the first, the last, my everything

[Musical Interlude]

I know there's only, only one like you
There's no way they could have made two
Girl you're my reality
But I'm lost in a-a-a a dream
You're the first, you're the last, my everything
