Bartek Łach, To Be with You - Przesłuchania w ci

Hold on little girl Show me what he's done to you Stand up little girl A broken heart can't be that bad When it's through, it's through Fate will twist the both of you So come on baby come on over Let me be the one to show you I'm the one who wants to be with you Deep inside I hope you feel it too Waited on a line of greens and blues Just to be the next to be with you Build up your confidence So you can be on top for once Wake up who cares about Little boys that talk too much I seen it all go down Your game of love was all rained out So come on baby, come on over Let me be the one to hold you Chorus Why be alone when we can be together baby You can make my life worthwhile And I can make you start to smile
