

# Basto, Unicorn (feat. Natasha Bedingfield)

We are who we are and we love who we love  
And if I'm feeling something, there's no way to turn it off

When you feel lonely, coz' there's no one the same  
You're not the only one that's feeling this way  
Who cares about the norm?  
You've been perfect from the day that you were born  
Like a unicorn  
Just like a unicorn
