

Basto, Unicorn (feat. Natasha Bedingfield)

We are who we are and we love who we love
And if I'm feeling something, there's no way to turn it off

When you feel lonely, coz' there's no one the same
You're not the only one that's feeling this way
Who cares about the norm?
You've been perfect from the day that you were born
Like a unicorn
Just like a unicorn
