

# Bazzi, Alone

[Intro]

Your call has been forwarded to an automated voice message system

[Verse 1]

Maybe I'm cold  
Frozen from my past before, damn  
Don't get too close  
You won't find what you're looking for, I  
Oh, no

[Pre-Chorus]

And I hope you don't judge me  
All I know is how to be who I am  
And if you start to touch me  
I hope you know the place where we stand

[Chorus]

Don't tell me that you love me  
'Cause I won't love back  
Don't tell me that you need me  
'Cause I don't need that  
Don't tell me that you want me  
'Cause I'm on my own  
So when we finish touching  
Girl, I'm all alone  
All alone, all alone

[Verse 2]

Maybe I'm fine  
Fine with being by myself, yeah  
Maybe I'm not trying  
Trying to have nobody else  
I'm not

[Pre-Chorus]

And I hope you don't judge me  
All I know is how to be who I am  
And if you start to touch me  
I hope you know the place where we stand

[Chorus]

Don't tell me that you love me  
'Cause I won't love back  
Don't tell me that you need me  
'Cause I don't need that  
Don't tell me that you want me  
'Cause I'm on my own  
So when we finish touching  
Girl, I'm all alone  
All alone, all alone, yeah

[Outro]

All alone  
All alone  
Alone
