

# Bazzi, Beautiful (feat. Camila Cabello)

[Chorus: Bazzi]

Hey  
Beautiful, beautiful, beautiful, beautiful angel  
Love your imperfections, every angle  
Tomorrow comes and goes before you know  
So I just had to let you know

[Post-Chorus: Bazzi]

The way that Gucci look on you, amazing  
But nothing can compare to when you're naked  
Now a Backwood and some Henny got you faded  
Saying you're the one for me, I need to face it

[Verse 1: Bazzi]

Started when we were younger  
Swear to God that I loved her  
Sorry that your mom found out  
Guess that we just really had the thunder  
Ain't nobody else that I'd be under  
Beautiful, beautiful life right now  
Beautiful, beautiful night right now  
No, no, no

[Chorus: Bazzi]

Hey  
Beautiful, beautiful, beautiful, beautiful angel  
Love your imperfections, every angle  
Tomorrow comes and goes before you know  
So I just had to let you know

[Verse 2: Camila Cabello]

Oh my God, where did the time go?  
I wish the hours would go slow  
How is it 6 AM?  
Your touch is heaven-sent  
Beautiful, beautiful sight right now  
Beautiful, beautiful life right now  
Got the angels singing ooh-ah right now like, ooh-ah  
And this is why we've got to touch (ah)  
Sometimes words are not enough (no)  
Painted in your golden kiss, honey dripping from your lips  
I thank God and my lucky stars  
Darling, don't you know what you are?  
Yeah, baby, you are

[Chorus: Bazzi, (Camila Cabello) & Both]

Hey (Hey, baby)  
Beautiful, beautiful, beautiful, beautiful angel (Ooh)  
Love your imperfections, every angle (Baby, baby)  
Tomorrow comes and goes before you know (Yeah, baby)  
So I just had to let you know

[Outro: Bazzi, (Camila Cabello) & Both]

The way that Gucci look on you amazing (Yeah, yeah)  
But nothing can compare to when you're naked  
(Nothing can compare, you're better when you, hey, Oh)  
Tomorrow comes and goes before you know (Yeah)  
So I just had to let you know (Oh, know, yeah)  
I just had to let you know  
Swear to God you're beautiful, yeah
