(take 1)

It's been a hard day's night, and I've been working like a dog

It's been a hard day's night, I should be sleeping like a log

But when I get home to you I find the things that you do

Will make me feel alright

You know I work all day to get you money to buy you things

And it's worth it just to hear you say you're going to give me everything

So why on earth should I moan, 'cause when I get you alone

You know I feel OK

When I'm home everything seems to be right, right, right

When I'm home feeling you holding me tight, all through the night, oh

It's been a hard day's night, I've been working like a dog

It's been a hard day's night, I should be sleeping like a log

But when I get home to you I find the things that you do

Will make me feel alright owww!

Because when I get home to you I find the things that you do

Will make me feel alright

When I'm home everything ...

When I'm home, ha ha, everything... me to be tight, all through the night

It's been a hard day's night, I've been working like a dog

It's been a hard day's night, I should be sleeping like a log

But when I get home to you I find the things that you do

Will make me feel alright, feel alright, feel alright

[Ha ha ha!]
