

Beatles, Baby's In Black

(Lennon/McCartney)

Oh dear, what can I do?
Baby's in black and I'm feeling blue
Tell me, oh what can I do?

She thinks of him and so she dresses in black
And though he'll never come back, she's dressed in black
Oh dear, what can I do?
Baby's in black and I'm feeling blue
Tell me, oh what can I do?

I think of her, but she thinks only of him
And though it's only a whim, she thinks of him
Oh how long will it take
Till she sees the mistake she has made?
Dear what can I do?
Baby's in black and I'm feeling blue
Tell me, oh what can I do?

Oh how long it will take
Till she sees the mistake she has made?
Dear what can I do?
Baby's in black and I'm feeling blue
Tell me, oh what can I do?

She thinks of him and so she dresses in black
And though he'll never come back, she's dressed in black
Oh dear, what can I do?
Baby's in black and I'm feeling blue
Tell me, oh what can I do?
