Hello little girl Hello little girl Hello little girl

When I see you everyday

I say, "Mm mm hello little girl"

When you're passing on your way

I say, " Mm mm hello little girl"

When I see you passing by

I cry, "Mm mm hello little girl"

When I try to catch your eye

I cry, "Mm mm hello little girl"

I send you flowers but you don't care

You never seem to see me standing there

I often wonder what you're thinking of

I hope it's me and love love love

So I hope there'll come a day

When you'll say, "Mm you're my little girl"

It's not the first time that it's happened to me,

It's been a long lonely time

And it's funny funny to see that I'm about to lose my mind mind mind

So I hope there'll come a day When you say, "Mm mm

You're my little girl, mm mm mm

You're my little girl, mm mm mm"

You're my little girl, oh yeah

You're my little girl

Do do do do do
