Hey Jude (live-in-the-studio Outtake)

=====  
Beatles - Hey Jude (live-in-the-studio outtake)  
=====

(John Lennon, Paul McCartney)

Lead Vocal: Paul McCartney

[From the heart of the Black country.

When I was a robber, in Boston Place,  
you gathered round me with your fine embrace.]

Hey Jude, don't make it bad

Take a sad song and make it better

Remember to let her into your heart

Then you can start to make it better

Hey Jude, don't be afraid

You were made to go out and get her

The minute you let her under your skin

Then you begin to make it better

And anytime you feel the pain, hey Jude, refrain

Don't carry the world upon your shoulders

For well you know that it's a fool who plays it cool

By making his world a little colder

Mmmuuuuuu...

Hey Jude, don't let me down

She has found you, go out and get her

Remember to let her into your heart (your heart)

Then you can start to make it

Better better better better

So let it out and let it in, hey Jude, begin

You're waiting for someone to perform with

And don't you know that it's just you, hey Jude, you'll do

The movement you need is on your shoulder

Hey Jude, don't make it bad

Take a sad song and make it better

Remember to let her into your heart

Then you can start to make it

Better better better better better better, oh

Yeah

Nah nah nah nah nah, nah nah nah nah, yeah Jude

Oo-oh yeah

Nah nah nah nah nah, I make it to, nah nah nah nah, hey Jude

Hey Jude, yeah

Nah nah nah nah nah, I make it to, nah nah nah nah, hey Jude

Oo-oo-oo-oh yeah

Nah nah nah nah nah, nah nah nah nah, oh yeah yeah yeah

Nah nah nah nah nah, make it to yeah (fade out)
