Beatles, The

Help

Act naturally

They're gonna put me in the movies

They're gonna make a big star out of me

We'll make a film about the man that's sad and lonely

And all I gotta do is act naturally

Well I bet you I'm gonna be a big star

... you can never tell

The movie's gonna make me a big star

'Cause I can play the part so well

Well I hope you'll come and see me in the movies

Then I'll know that you will plainly see

The biggest fool that ever hit the big time

And all I gotta do is act naturally

We'll make the scene about the man that's sad and lonely

...

I'll play the part and I won't need rehearsing'

All I have to do is act naturally

Well I bet you I'm gonna be a big star

... you can never tell

The movie's gonna make me a big star

'Cause I can play the part so well

Well I hope you'll come and see me in the movies

Then I'll know that you will plainly see

The biggest fool that ever hit the big time

And all I gotta do is act naturally
