To Know Her Is To Love Her(spector)

To know know know her

Is to love love love her.

Just to see her smile

Makes my life worthwhile.

Yes just to know know know her

Is to love love love her

And i do, and i do, and i do.

And i do, and i do, and i do.

I'll be good to her

I'll make love to her.

Everyone says there'll come a day

When i'll walk alongside of her.

Yes just to know know know her

Is to love love love her

And i do and i do and i do,

And i do and i do and i do.

Why can't she see,

How blind can she be?

Someday she'll see

That she were meant just for me.

Oh oh to know know know her

Is to love love love her.

Just to see her smile

Makes my life worthwhile.

Yes just to know know know her

Is to love love love her

And i do and i do and i do,

And i do and i do and i do.

Why can't she see,

How blind can she be?

Someday she'll see

That she were meant just for me.

Oh yeh to know know know her

Is to love love love her.

Just to see her smile

Makes my life worthwhile.

Yes just to know know know her

Is to love love love her

And i do and i do and i do

And i do and i do.
