Young Blood(lieber/stoller/pomus)

i saw her standing on the corner

A yellow ribbon in her hair

I couldn't keep myself from shouting

Look - a - there

Look - a - there

Look - a - there

Look - a - there

Young blood

Young blood

Young blood

I can't get you out of my mind

I took one look and i was fractured

I tried to walk but i was lame

I tried to talk but i just stuttered

What's your name

What's your name

What's your name

What's your name

Young blood etc.

What crazy stuff

She looked so tough

I had to follow her all the way home

Then things went bad

I met her dad

He said

You better leave my daughter alone

I couldn't sleep a wink for trying

I saw the rising of the sun

And all night long my heart was crying

You're the one

You're the one

You're the one

You're the one

Young blood etc. (twice)
