

# Bebe Rexha, Can't Make Somebody Love You

Hey. Yeah-e. Yeah

Who is that girl?

Is she everything you ever wanted?

And why did you leave?

Were you seeing her while you were seeing me? Yeah-eh-oh

It's time to say it's time to say good bye!

And don't worry bout me, cause baby boy I won't cry. (cry)

If I would've known I would've just walked away. (Walked away)

But I was stuck on you and you were stuck on my mind.

You can't make somebody love you. (Ah)

You can't make somebody love you. (Ah)

You can't make somebody love you. (Ah)

(When they love somebody else)

Member when (Yeah-e) we would talk?

All day, yeah, even after it got dark

Who would've know, it'd be like this..

It was my fault for thinking that you would want my kiss!

You can't make somebody love you. (Ah)

You can't make somebody love you. (Ah)

You can't make somebody love you. (Ah)

(When they love somebody else)

Is it to much to want somebody,

Somebody that will love you, somebody that will love you!

Is it to much to need somebody,

Somebody that will love you, somebody that will love you

Is it to much to want somebody,

Somebody to love love you, somebody to love you!

Is it to much to need somebody, Somebody to love me, somebody to love me!

Don't worry bout me, don't worry bout me,

don't worry bout me, don't worry...

Don't worry bout me, don't worry bout me,

don't worry bout me, don't worry...

Don't worry bout me, don't worry bout me,

don't worry bout me, don't worry...

Don't worry bout me, don't worry bout me, don't worry bout me...

Chorus:

You can't make somebody love you. (Ah)

You can't make somebody love you. (Ah)

You can't make somebody love you. (Ah)

(When they love somebody else)

(When they love somebody else)

Don't worry bout me, don't worry bout me..

Huh....ah..

You can't make somebody love you.
