

Bebe Rexha, Meant to Be (feat. Florida Georgia Line)

[Verse 1: Florida Georgia Line]

Baby lay on back and relax, kick your pretty feet up on my dash
No need to go nowhere fast, let's enjoy right here where we at

[Pre-Chorus]

Who knows where this road supposed to lead?
We got nothing but time
As long as you're right here next to me, everything's gonna be alright

[Chorus: Florida Georgia Line]

If it's meant to be, it'll be, it'll be
Baby, just let it be
If it's meant to be, it'll be, it'll be
Baby, just let it be
So won't you ride with me, ride with me?
See where this thing goes
If it's meant to be, it'll be, it'll be
Baby, if it's meant to be

[Verse 2: Bebe Rexha & Florida Georgia Line]

I don't mean to be so uptight, but my heart's been hurt a couple times
By a couple guys that didn't treat me right
I ain't gon' lie, ain't gonna lie
Cause I'm tired of the fake love, show me what you're made of
Boy make me believe
But hold up girl don't you know you're beautiful?
And it's easy to see

[Chorus: Bebe Rexha & Florida Georgia Line]

If it's meant to be, it'll be, it'll be
Baby, just let it be
If it's meant to be, it'll be, it'll be
Baby just let it be
So won't you ride with me, ride with me?
See where this thing goes
If it's meant to be, it'll be, it'll be
Baby, if it's meant to be

[Post-Chorus]

So c'mon ride with me, ride with me
See where this thing goes
So c'mon ride with me, ride with me
See where this thing goes
Baby, if it's meant to be

[Bridge: Bebe Rexha & Florida Georgia Line & Both]

Maybe we do
Maybe we don't
Maybe we will
Maybe we won't

[Chorus: Bebe Rexha & Florida Georgia Line]

But if it's meant to be, it'll be, it'll be
Baby, just let it be
If it's meant to be, it'll be, it'll be (c'mon)
Baby, just let it be (let's go)
So won't you ride with me, ride with me?
See where this thing goes
If it's meant to be, it'll be, it'll be
Baby, if it's meant to be

[Outro: Bebe Rexha & Florida Georgia Line & Both]

If it's meant to be, it'll be, it'll be
Baby, if it's meant to be

If it's meant to be, it'll be, it'll be
Baby, if it's meant to be
