

# Bebe Rexha, One Last Night

[Verse 1]

I would do it all again  
Baby, just to see your skin  
I don't give a fuck about them  
Really don't care what they say

[Pre-Chorus]

How I need your body next to mine  
Without you I die a million times

[Chorus]

So come on baby if it's really over  
Love me til it's over  
Baby, won't you give it all to me, give it all to me?  
If it's really over  
Love me til it's over  
Baby, won't you give it all to me, give it all to me?  
One last night, night  
One last night, night
