

# Bebe Rexha, The Middle (demo)

[Verse 1]

Take a seat right over there, sat on the stairs  
Stay or leave, the cabinets are bare and I'm unaware  
Of just how we got into this mess, got so aggressive  
I know we meant all good intentions

[Pre-Chorus]

So pull me closer  
Why don't you pull me close?  
Why don't you come on over?  
I can't just let you go

[Chorus]

Oh baby, why don't you just meet me in the middle?  
I'm losing my mind just a little  
So why don't you just meet me in the middle?  
In the middle  
Baby, why don't you just meet me in the middle?  
I'm losing my mind just a little  
So why don't you just meet me in the middle?  
In the middle

[Verse 2]

Take a step back for a minute, into the kitchen  
Floors are wet and taps are still running, dishes are broken  
How did we get into this mess? Got so aggressive  
I know we meant all good intentions

[Pre-Chorus]

So pull me closer  
Why don't you pull me close  
Why don't you come on over  
I can't just let you go

[Chorus]

Baby, why don't you just meet me in the middle?  
I'm losing my mind just a little  
So why don't you just meet me in the middle?  
In the middle

[Bridge]

Looking at you, I can't lie  
Just pouring out admission  
Regardless of my objection  
And it's not about my pride  
I need you on my skin  
Just come over, pull me in, just

[Chorus]

Baby, why don't you just meet me in the middle  
I'm losing my mind just a little  
So why don't you just meet me in the middle?  
In the middle, no  
Baby, why don't you just meet me in the middle?  
I'm losing my mind just a little  
So why don't you just meet me in the middle?  
In the middle  
Baby, why don't you just meet me in the middle, baby?  
I'm losing my mind just a little  
So why don't you just meet me in the middle, middle?  
In the middle, middle
